Year 3 have written their own versions  
of The Blue Hat.

# Evelyn's story

on a crisp, cold, frosty evening I went for a walk in the gloomy moonlit forest.

The trees were creaking like an old staircase as they swayed in the wind. Woodpeckers drummed noisily with their beak as owls stared with their glowing orange eyes.

I saw a shimmering glimmering birch tree lit up like a star with a mysterious mucky hat hanging on a branch. So I carefully found a long stick on the ground and used it to knock the dirty hat off the tree. Soon I got it off of the tree but instead of falling it floated gently like a feather onto my head. It was a tall and pointy hat with creases like a mouth.

"HELLO EVELYN MY NAME IS THE SORTING HAT" it said in a booming voice. "AND I'M HEAR TO SAY YOU'RE IN READ KITES."

# Toby's story

One day, I was walking through Cowlease Woods, and I found a dark blue hat.

I took it home and put it next to my bed at night. When I woke up lots of magic turtles were in my room! They were red, purple, yellow and blue. After I found the turtles I went to the garden and dug a big hole. Then I got the hose and sprayed water in it.

It was a pond for the turtles. The next night the biggest turtle disappeared! So I went back to Cowlease Woods and I found it. It was just eating some grass. So I took it home and all of the turtles stayed in the pond.
